**Apple Media Services:
Apple Music - 3rd Party App Authorization History**

April 2019

File name Apple Music - 3rd Party App Authorization History.csv

File description

This file contains information about the third-party apps with which the user has authorized Apple Music to share their activity and media library.

Why Apple keeps this information

Apple retains this information in order to log the user's authorization preferences and to ensure the integrity of transactions and user facing or entered content.

Field Name	Details
Apple ID Number	Apple account identification number
App Name	Name of the authorized app
Device Identifier	Identifier for the device using Apple Music
Device Details	Information about the device type, operating system, and browser used to create the account
Authorization Date	Date on which the user authorized the device to use Apple Music
